Price:

2750.00 \$

5 X 10 Aluma Model 6310 B HT, all aluminum utility trailer.

This trailer weighs only slightly over 500 lbs but has a 3500 lb capacity torsion axle with electric brakes. Spare tire included. Aluminum deck with 6 recessed tie down rings and 2 foot aluminum sides. The rear ramp is a folding, hinged design that can be stored in an upright or folded down position. A wooden slide in barrier is provided for carrying loose material (ie gravel, dirt) in the trailer. Pivoting tounge jack with a manual crank is provided. Trailer is in very good condition.
